Walton's battery.

Bonham's brigade held the approaches to Mitchell's ford. It was composed of Kermikaw's 2d, Walliams' 3d, Bacon's 7th, and Cash's 8th regiments Suth Carolina volunteers, of Shields' and Del Kemper's batteries, and of Flood's, Payne's, Ball's, Wakham's and Powei's companies of Virginia cavality, under Col. Radford.

Cocke's brigade held the ford below and in the commanding ridge, and the duel began in earnest. For a time to convert the same time occupying the commanding position. The results were marvelous, and fitting presures to the artillery achievements of the 21st July. In the outset our fire was directed against the enemy's infantry, whose bayonets, gleaming above the tree tops, alone indicated munitions and every artillegues, notwithstanding it was aurmounted by the usual yellow hospital fisg, but which in wover, I hope, for the sake of past associations, was ignorantly mistaken for a Confederate State Sonds, it Kegro progression, was ignorantly mistaken for a Confederate State Sonds, it were narvelous, and fitting presures to the artillegues, notwithstanding it was aurmounted by the usual yellow hospital fisg, but which in wover, I hope, for the sake of past associations, was ignorantly mistaken for a Confederate State Sonds, it Kegro progression to the artillegues, notwithstanding it was aurmounted by the usual yellow hospital fisg, but which in wover, I hope, for the sake of past associations, was ignorantly mistaken for a Confederate State Sonds, in Kegro progression to the artillegues, notwithstanding it was aurmounted by the usual yellow hospital fisg, but which in wover, I hope, for the sake of past associations, was ignorantly mistaken for a Confederate State Sonds, in Kegro progression to the artillegues, notwith was a surmounted by the usual yellow hospital fisg, but which in wover, I hope, for the sake of past associations, was ignorantly mistaken for a Confederate State Sonds, in Kegro progression wover, I hope fo

the vicinity of the Stone Bridge, and consisted the vicinity of the vicinity o Latham's battery and one company of cavalry battery, wounding in the course of the combat orders on the field, and in the preliminary Virginia volunteers.

Evans held my left flack and protected the Stone Bridge crossing with Sloan's 4h regiment South Carolina volunteers, Wheat's special battalion Ludislana volunteers, four six poun er guns, and two companies of Virginia cavalry.

Earley's brigade, consisting of Kempar's Chi (six companies) Earley's 24'h regiment Louisiana volunteers, and the nature of the ground, their what execution this was done, can only be realized by an eye witness. For a few moments their guns were silenced, but were soon reopend. By direction of Gen. Longstreet, his Virginia volunteers, and three ritle pieces of Walton's battery, Licut. Squires, at first were witness shower of spherical-case shell, and round shot in the preliminary arrangemen s for the occupation and mainten ance of the line of Bull Run.

Col. Thomas Jordan, A. Adjutant General; Capt. C. H. Smith, Ass't Adjutant General; and control only be directed at the smoke of the enemy's artillery. How skillful, and with what execution this was done, can only be realized by an eye witness. For a few moments their guns were silenced, but were soon reopend. By direction of Gen. Longstreet, his Medical Director, and Ass't Surgeon Brodie, Judical Walton's battery, Lieut. Squires, at first were held in position in rear of and as a support to flew over the heads of our gomers; but one of ties at my headquarters at camp Pickens, our pieces had become fors du combat from an which they discharged with an energy and inof the enemy, in heavy offensive force, in front of Mitcheli's and Biackburn's fords, fired, as nefers, with no other nim than the when it was placed in rear of and nearly smoke and first of their adversaries' piaces—

Mesers, McLean, Wilcoxen, Kincheloe, and

purpose, shout ten (10) o'clock a. m., I established my neadquarters at a central point, McLean's farm-houses, near to McLean's and we fired a last gun at a buffled, flying foe, whose heavy masses in the distance were seen features and resources. They were found ever Blackburn's fords, where two six-pounders of to break and scatter in wild confusion and utter ready to give me their time without stint or

miles from the Potomec, and draining a considerable scope of constry from its sources in Bull Run mountain to a short distance of the Potomac, at Occoquan. At this season habit-builty law and slongish, it is however rapidly and frequently swollen by the sommer rains until unfordable. The banks for the most part are rocky and sleep, but abounded in long used fords. The country on eit er side, such broken and thickly wooded, becomes gently rolling and open as it recedes from the stream. On the northern side the ground is much the

rolling and open as it recedes from the stream. On the northern side the ground is much the highest, and commands the other bank coupletely. Hossis traverse and intersect the surrounding country in almost every direction. Finally, at Mitchell's ford the stream is about equi-distant between Centerville and Manassas, some six miles apart.

On the morning of the 18th, finding that the surrounding a threatening attitude, in addition to the regiments whose positions have been already stated, I ordered up from Camp Pickens, as a reserve, in rear of Burnard for the advance. While the conflict was at its hight, before Blackburn's ford, about four o'clock, P. M. the enemy he could not force a passage across Bull Run in the face of our troops, and ird bin into the flank movement of the 21st July, and the tattle of Manassas, the details of which will be related in another Bonham's position. At this, Col. Kershaw, with four companies of his regiment, 2d South Carolina, and one piece of Kennen's artillery. Were thrown across Milichell's ford to the side of battle. Carolina, and one piece of Kennen's artillery, and of the several brigade commanders engaged, and of the artillery. Also a nap of the field of battle. The remdition of this report, it is proper to say, in conclusion, has been unavoidably delayed by the constantly engressing administrative duties of the could not force a passage for the advance.

While the conflict was at its hight, before Blackburn's ford, about four o'clock, P. M. the enemy defined to the face before Bonham's position. At this, Col. Kershaw, with four companies of his regiment, 2d South Carolina, and one piece of Kennen's artillery. Were thrown across Milichell's ford to the face before Bonham's position. At this, Col. Kershaw, with four companies of bis regiment, 2d South Carolina, and one piece of Kennen's artillery. Herewith I have the honor to transmit the reports of the several brigade commanders engaged, and of the artillery. The remdition of this reports of the several brigade commanders a

tion in reserve, leaving Col. Early to occupy Appearing in heavy force in front of Bon- the field with his brigade and Garland's regi

Bull Run. At the same time, Kemper, sup-ported ty two companies of light infantry, occupied a ridge on the left of the Centerville who, officers and men, with rare exceptions road, about six hundred yards in advance of were on that day for the first time under fire,

ed the range of our position, and poured into
the brigade a thower of shet, but without those who but yesterday were called from the injury to us in men, horses, or guis. From the distance, however, our guiss could not reply with effect, and we did not attempt it, patiently awaiting a more opportune moment.

Meanwhile a light battery was pushed forward by the enemy, where upon Kemper thre v 10-pounder Parrott rifled guns, two 12-pounder only six solld shot, with the effect of driving how yer and two 6 pounder pieces, aided by back both the barray and its supporting force. two 20 pounder Parrott rifled guns of company This is understood to have been Ayres' battery, and the damage must have been considerable. Thus matched, they drove their veteran adverto have obliged such a retrogade movement on saries from the field, giving confidence in, and promise of, the coming efficiency of that bril-

Having thus related the main or general results and events of the action of Bull Run, in were withdrawn across Michell's ford to a conclusion, it is proper to signatize some of point previously designated, and which com-

results of that day.

Thanks are due to Brig. Generals Bonham my was also discovered by the picke's of and Ewell, and to Col. Cocke, and the officers under them, for the ability shown in conducting and executing the retrograde movements on Bull Run, directed in my orders of the Sh ordered to report to General Thomas, at Louis-

I on the 12th of September next. In its favor we also the following advantages.

I its plan of ornamization, thorough course of study of discipline, as well as the head standard of instruction, place it in the rath of a strictly first class Female. LHROY POPE, Req., Superintendent of the city schools DR. P. S. JONES, (firm Sheldon, Jones & Co.) E. M. YERGER, Maq., Attorney at Law.

College.

2. The bulldings are new, elegant and commedience.

Por all esthed purposes, they are probably unauroscied by any either North or South. The furniture and general chool equipments have not indicate to recite the admiration of visitors and patrons.

3. In local situation is consulted the following advantage: The region of country is acknowledged to be healthy as west as beautiful. It is approximately by any of the post refried, intelligent and moral ammunities. It is sufficiently near to the city for all purposes of trade, and sufficiently remote to project the popula agency habits of extravagance. It may be easily resched in all directions by railroad and river.

4. The professors sid teachers have had be acceptabled, and are known as the country cultified to the conditional refreshment of the South. In fact, the highest a vanishment werey particular that can be found in any sinusar institution, are enoughed at this, for the proper training

stitution, are enjoyed at this, for the proper training destroation of county fatter.

LAGRANGE SYFODICAL COLLEGE.

THE EXERCISES of the above Institution will be resumed on the 19 b of
SEPTEMBERS, under the administration
of an able and efficient Faculty, as south
ern men and true. The Hoble was no
taught as a Text book; the stodents will
also be instructed in Mi Hary Tectics as a
part of healthful decinitie, and as a necessity of the
times. The aim will be to make them christians,
scholars and patriors. Parents of roundars may rest
accorded that their children and wants will be well instruct d, and their morals and manners carefully and
tenderly looked after. The Trustees take pleasure in
commending the College as eminently worthy of extrasive patrockers.

Enlrance may fine per and hadder.

FOURTH DAY, SATURDAY, Nevember 2 — Sweepstake to three year olds, beats at two bules; \$200 cmarperion; \$100 for elt. Three or much to fill the
scription; \$100 for elt. Three or much to fill the
scription; \$100 for elt. Three or much to fill the
scription; \$100 for elt. Three or much to fill the
scription; \$100 for elt. Three or much to fill the fact that a cistern has been due, to its immediate vicinity, to the depth of twelve feel, without reaching the cay. It is almost eatherly above overflow, the unprecedented floods of '58 and '69 exyring only a small particle of it, and it is also protected by a flow leves, which has been greatly strengthened during the past year. It has no improvements except owner rough calium, but has sever all said and received in all cases.

The above stakes to name and close on TUESDAY, October 1st, 1881. Security for the farfeit required in all cases.

The that a cistern has been during the past year. It has no improvements except owner rough calium, but has sever all said and required in all cases.

The shows stakes to name and close on TUESDAY, October 1st, 1881. Security for the farfeit required in all cases.

The that a cistern has been considered and that several pool for eit. Three or murt to fill the stake of this allows a flower, which has been greatly attention, or a flow present on the rapidity growing cities and the state of the land and seld, would more than part for the land.

I have been told by competent judges, that the peculiar advantages of this land are so greatly, that but for the present war. It could be sold resulty for \$100 per scre. Its nearness to the rapidity growing city of Memphis, greatly adds to its value, and should that city be used the capital of the Connederate States, as it is now thought the will be, in a very short time it would commended the capital of the Connederate States, as it is now thought the should that the peculiar states as it is now thought the provided more than part of the connederate States, as it is now thought the should that the peculiar of the Connederate States, as it is now thought the should that the peculiar states as it is now thought the should connederate States, as it is now the capital of the Connederate States, as it is now the capital of the Connederate States, as it is now the capital of the Connederate States, as it is now the capital of the Connederate on MCNDAY, October 18 h.

Should the above stakes 31 a Perse of \$300, three mile hands, suffaces takes 31 a Perse of \$300, three mile hands, suffaces London Perfer, no Tuesday.
